```

```
C:\Users\Emong\Desktop\Proyectos> echo "este es mi primer archivo" >> ideas.  
txt
```

```
C:\Users\Emong\Desktop\Proyectos>
```

The screenshot shows a Notepad window with two tabs: 'investigacion\_herencia\_multiple.txt' and 'ideas.txt'. The 'ideas.txt' tab is active, displaying the text 'ECHO is on.' followed by the command 'echo "este es mi primer archivo" >> ideas.txt' on the next line. The text is highlighted in yellow.

```
C:\Users\Emong\Desktop\Proyectos>type ideas.txt
```

```
ECHO is on.
```

```
"este es mi primer archivo"
```

```
C:\Users\Emong\Desktop\Proyectos>|
```

```
ECHO is on.
```

```
"este es mi primer archivo"
```
